

SPONSORSHIP APPLICATION

Dear valued supporter

The **Logan & Scenic Rim Law Association (LSRLA)** was established in 2016 for the purpose of supporting our local legal profession by providing opportunities for networking, education, professional development and lobbying for those interests that affect legal professionals and the practice of law in this district. We have a membership of over 50 members and are growing. We would like to invite you to be a sponsor of one (or more) of our events, not only to promote your business to the wider legal community but to also support our objectives.

Our objectives are:

- To support our regional legal communities;
- To encourage, support and contribute to the sharing of knowledge and professional development among members;
- To advocate for the interests of our community (both legal and non-legal);
- To encourage and foster collegiality and meaningful friendships among members;
- To promote and advocate for the interests of regional legal communities;
- To work alongside the Queensland Law Society and contribute to the greater profession in any way that we can.

It is our hope that the continued development of this association will give a face and a voice to the practitioners in our region, which will in turn assist with the development and evolution of our local community and economy. In fulfilling our objectives, we will be hosting four events per calendar year to bring our members together. These events will discuss a range of current legal topics and provide opportunities to network with and support our local community businesses. We need your help to make our association great through your sponsorship of these events!
